16th May 12.14 h

POLS

By Poli Nuévalos

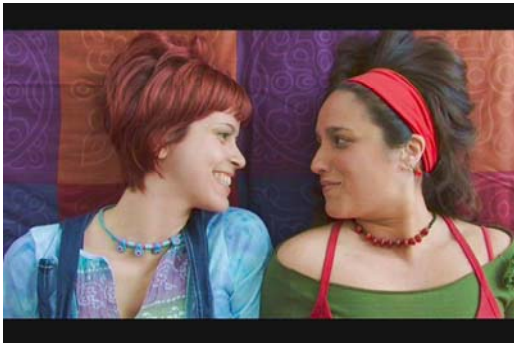

Produced by: Poli Nuévalos

15' / Fiction

International sales: poliedro6969@yahoo.es

Synopsis: The adventure of an innocent young man who wanders into an unknown world and that of an experienced prostitute serve as an example of how to withstand the cruelties of the life. These are two of the many stories that illustrate the vital balance that people must have in the face of life, in order to embark on their journeys. These excursions are narrated through human jungles: impersonalised and alienating daytime jungles that are described by an omnipresent voice off that will transport us into the night. The interactions of bodies in a real time and space, described by the protagonists themselves.

16th May 12.26 h

IRIS

By Víctor Azaustre

Produced by: Malaprensa.net
